AI-Sponsored Event for Argentine Mothers
July 17th

Tex Harris' wife Jeannie has brought thirty scarves from Argentina, each embroidered with the name of one or more disappeared. Amnesty is setting up an event to which about thirty women will be invited, the scarves are not for sale, and two Argentine mothers are coming from Europe to take part.

I'll be going to that; it's supposed to last from 10:00 to noon and be in one of the Senate Office buildings.

Jeannie's hoping that we can get a letter to the mothers from Rosalyn Carter, so let's draft something: send an action memo cut and see what we can get. We'll have to move pretty fast because that's next week.

If you need any more information from Jeannie, her number is 338-8462; I suppose Stephanie Grant ought to be able to supply some information too.

Thanks.
